

## Together for sustainability: Do we expect too much from science?

11 January 2024, Warsaw

### Agenda

The event will be held in English

#### Venue: German Embassy, Jazdów 12, Warsaw

**13:30**      **Registration, welcome coffee**

**14:00**      **Welcome**

- Viktor Elbling, Ambassador of Germany
- Etienne de Poncins, Ambassador of France

**14:15**      **dr Małgorzata Bielenia, Department of Maritime Transport and Seaborne  
Trade Division of Maritime Economy, University of Gdansk**

From science to innovation:

- What obstacles/barriers exist in the development and implementation of smart cities (and application of AI)?
- Why do the obstacles exist? Is there a way to increase the feasibility of innovative projects?

#### Venues: German Embassy, Jazdów 12, Warsaw and French Embassy, Piękna 1, Warsaw

**14:30**      **Smart cities – discussion in working groups**

Short introduction from workshop facilitators, participants select their workshop

Group 1:      dr Łukasz Lamża, Uniwersytet Jagielloński

Group 2:      Melania Łuczak, Rada Dzielnicy Mokotów, Miasto Jest Nasze
