

Lectures 1

title: Sketch as a main part of artistic realizations

moderator: dr Radosław Jan Balcerzak

duration: 15 hours

Discussion and presentation of various examples of sketches that are an introduction to later realizations. Look at the importance of a sketch and execute it at different stages of the main implementation. Analysis of a sketch as an independent piece of art.

Lectures 2

title: Abstract art as a basis of artistic thinking

moderator: dr Radosław Jan Balcerzak

duration: 15 hours

Discussion and presentation of abstract art, analysis of rules and ideas. Presentation of representational, non-abstract art and analysis of the given examples according to the rules of abstract art.
